

# How to make my Snowman

By:16A

1. First you turn the background to blue (#0000ff).
2. Second there are three balls, the bottom snowball is 2 1/2 inches vertical and 3 ¼ inch horizontal and it is white(ffffff). The middle snowball is 2 ¼ inches vertical and 1 ½ inches horizontal the same white. The top snowball is 1 ¼ inch vertical and 1 ¾ inches horizontal and the same white. They are on the left side of the page. The bottom snowball is 1 cm off of the floor. They are put together.
3. Third there are sunglasses in the middle of the top snowball and is a stamp that are 1 ¼ inches vertical and ½ inch horizontal and is black.
4. Forth there is the hat you make an oval that is 1 cm vertical and 5 ½ cm horizontal and it is this light green (#00ff00). There is also a square that is 1 inch vertical and 3 cm horizontal the hat is a cm over the top of the top snowball.
5. Fifth you go to the stamps and click on the chili pepper go to the paint bucket and fill it in this kind of orange (ff9933) and the point goes toward the left side of the sunglasses and is 1 ¾ inches horizontal .
6. Sixth the arm on his left side is ¾ up the middle snowball the arm is an inch long, the three fingers are 1 cm . The right arm is also ¾ up the side of the middle snowball the arm is ¾ inches long and runs off the page the color is (663300)

The End
